

## Richards-Wilcox appoints new CEO, president, and vice president

In October, Raynor announced that Ray Friesen had assumed the CEO position for Richards-Wilcox Canada. Friesen has worked in the industry for more than 42 years and has served as president of Richards-Wilcox for the majority of his tenure.

The company also announced that David Selby was promoted to president after serving 10 years as vice president for the company, and Mike Maguire was promoted to vice president of sales for Richards-Wilcox Canada. Maguire previously worked as director of sales for Canada/International and came to RW in 1994. ■

## Clopay celebrates Allie Cordonnier's "Job of a Lifetime"

In September, Clopay's leadership team hosted a lunch to recognize Allie Cordonnier, affectionately known as "employee number 12", for his 55 years of continued service.

Allie started with the company the day after he graduated from high school in 1965 and has worked in almost every department in the plant.

Clopay president Steve Lynch presented Allie and his wife, Linda, a framed copy of the article about his "Job of a Lifetime" featured in the fall 2019 issue of Door + Access Systems magazine. ■

## Arrow Tru-Line hires engineering manager

In October, Arrow Tru-Line hired Nick Filipovich as engineering manager. Previously, Filipovich served as engineering manager at IAC in Wauseon.

He holds a Toolmaker Apprenticeship certification and an associate degree in mechanical engineering technology from Northwest State Community College, and is

currently pursuing his bachelor's degree in organizational management from Bluffton University. ■
